

# Blue Print Top Tip

## Chrysler, Jeep, Dodge – Sump Plug Information

**Applicable References:** ADA100101

**Applications:** Dodge Ram / Chrysler Voyager, Grand Voyager / Jeep Cherokee, Grand Cherokee, Wrangler

**Date Issued:** 07/2008

**ADA100101** is a composite sump plug.

The main body and thread of the plug consists of a softer material than that of the sump pan. It is produced this way to avoid damage to the thread on the pan itself and therefore the plug is a consumable.

With this in mind the sump plug is not re-usable and we strongly recommend the part should be replaced on every oil change.
