AUTOTEILE

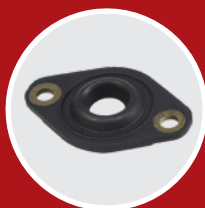

# Reliable Injectors for a trouble-free ride.

High-quality injectors from Metzger Autoteile ensure efficient fuel delivery to your engine. Our extensive product range includes injectors from all renowned manufacturers such as BOSCH, DENSO, CONTINENTAL, and DELPHI, available as OE parts or remanufactured with original replacement parts.

## Metzger Autoteile accessories for Injectors:

e.g. high-temperature ceramic paste (made in Germany) for diesel injectors and glow plugs, thermal protection washer sets, bolts for injector holders, sealing kits, and much more. Also available in OE versions.
